

# Second Sunday In Ordinary Time January 17, 2010

We know and believe  
in God's love for us!

"There was a wedding in Cana of Galilee." Cana was a remote village. The wedding was a simple one but there are two bridegrooms, the one getting married and Jesus, the long-awaited bridegroom of Israel. Jesus has come to claim Israel, his bride. Jesus will transform this private Jewish sign into a great era that will show that the time has come when God will take his people to himself in a new way. This new era will surpass the old as wine surpasses water.

The mother of Jesus was there... When they ran out of wine... the mother of Jesus said to him, "They have no wine." Mary is quietly present in the background of her son's ministry. She notices that the wine is running short and knows that this would be very embarrassing for the hosts. She presents her concern to Jesus and thus gives us a model of petitionary prayer similar to what Jesus teaches us later in the garden, "Father, if it is your will, take this cup from me; yet not my will but yours be done." Jesus seems to rebuff Mary yet she has the assurance to say to the servants, "Do whatever he tells you to do." These are the last recorded words of Mary and may be seen to be left to us as a final order. If you want to please me and my son, do what he tells you to do.

The story of the wedding feast at Cana is telling us that that when Jesus dwells in us we will be transformed and have life in abundance. The indwelling of the Spirit in us is not something that will happen to us. It has happened to us and it is only for us to become aware of it and be present to it. This is what we do when we meditate, when we be with the ground of our being dwelling within us.

## *Christ the King School Journal*

*Now there were six stones water jars there for Jewish ceremonial washings...John 2:6*

As we begin a new semester at Christ the King School, it is important that we reflect on our philosophy and mission statement. I invite parishioners to reflect upon it also and provide your thoughts on them with me.

### Philosophy

Christ the King School is based on the life and teachings of our Lord Jesus Christ. Our school is an integral part of the Church's mission to proclaim the Gospel, build faith communities, celebrate through worship, and serve others.

We recognize, respect, and support parents in their role as primary educators of their children. Through an integrated curriculum, we strive to meet the unique needs of all students spiritually, intellectually, physically, socially, and emotionally. We instill academic excellence by challenging students to develop their full potential. Our spirit of "Ohana" or family, nurtures the growth and development of learners who are caring and literate.

A harmonious and collaborative working relationship with our families, parish community, and stakeholders empowers us to teach as Jesus taught us to teach.

### MISSION STATEMENT

The Mission of Christ the King School is to provide a spiritual and academic multi-cultural Catholic community by:

- Responding to the command of Christ to teach as Jesus did
- Incorporating Gospel values and quality education
- Striving for educational excellence
- Allowing them to share their talents as part of our "Spirit of Ohana"
- Practicing service to God in our local and global communities
- Preparing our student to live as Christian leaders in the 21<sup>st</sup> Century

Registration for School Year 2010 – 2011 is well underway. Parents interested in having their children attend Christ the King School should call the school office at 877-6618 to request a registration packet.
