## MISSION STATEMENT

“Christ the King Parish is a welcoming Community united through prayer, teaching and service to God’s people”

*Twenty-Fifth Sunday in Ordinary Time*  
*Sunday, September 20, 2020*

---

Today’s readings are all about our sense of justice and the extravagant grace of a merciful God. While God is both just and merciful, God’s mercy often seems, in our view, to override His justice, as God pardons us unconditionally and rewards us generously by opening Heaven for the Gentiles and the Jews.

In the first reading, the prophet Isaiah reminds the exiles in Babylon that their God is more merciful than they are, and more forgiving. He is ready to pardon their infidelity to God, which has resulted in their exile. Their merciful God will bless them with material and spiritual blessings. Hence, Isaiah exhorts them, and us, to seek the Lord and to put aside evil ways that we may receive His mercy and forgiveness.

Today’s Responsorial Psalm (Ps 145) reminds us that, although “*the Lord is just in all His ways,*” He is at the same time (and without contradiction), “*gracious and merciful.*”

In the second reading, Paul offers himself as an example of total submission, aided by God’s grace, to His will. Paul is ready to live continuing his mission, or to die and join the Lord, whichever is God’s will.

In today’s Gospel, Jesus tells us the strange parable of a landowner who hired laborers at five different times during the course of one day to work in his vineyard, but paid the same living wage for a full day’s work to all of them. This story presents God (the landlord), Whose love and generosity to all of us demonstrates the difference between

God’s perspective and ours. God looks at us, sees our needs and meets those needs generously and mercifully. His provisions for our spiritual lives will never run out, and when we share our blessings with others, we tap into the inexhaustible Divine supply. The parable also shows the mercy, compassion, and generosity of a gracious and forgiving God in allowing the later-called Gentiles as well the first-called Jews, His Chosen People, to enjoy the same eternal bliss of His Heavenly Kingdom

Life messages: (1) We need to follow God’s example and show loving generosity to our neighbor. When someone else is more successful than we are, let us assume that person needs it. When someone who does wrong fails to get caught, let us remember the many times we have done wrong and gotten off free. Envy should have no place in our lives. We cannot control, and dare not pass judgment on, the way God blesses others, only rejoice that He does so, just as He blesses us.

(2) We need to express our gratitude to God in our daily lives. God personally calls each of us to our own ministry in this world and shows us His care by giving us His grace and eternal salvation. To God, we are more than just numbers on a payroll. Our call to His vineyard is a free gift from God for which we can never be sufficiently thankful. All our talents and blessings are freely given to us by God. Hence, we should express our gratitude to God by avoiding sins, by rendering loving service to others, by sharing our blessings with the needy, and by constant prayer, listening and talking to God at all times.

## Question of the Week

How can I magnify Christ in myself? How can I imitate God's generosity?

### **Weekly Bible Reflection**

*"So the last will be first and the first last." (Matthew 20:16)*

You've heard the saying "It's not where you start, but how you finish." This certainly applies to this Bible passage. We have a responsibility not only for our own lives, but for the lives of others as well. We are called to generously share our gifts with others, not hoard them for our own use. Our sincere gratitude and cheerful generosity will help us live "God-centered" lives and not "self-centered" lives.

## Stewardship Moment

From an early age, we tend to distort the concept of “fairness”: “I am good. I deserve good things. I am not receiving good things. Something must be wrong. Who’s going to fix it?” We also know the age-old expression: “Who ever said life was fair?” Jesus knew this expression when he offered his parable in today’s Gospel reading. Christian stewards acknowledge, with humility, that they receive good things from the Lord in abundance; even if these gifts are not the ones they think they need when they need them. Consider which servants you identify with most in the Gospel reading, the ones who demand “fairness”, or that final servant who, seemingly, deserves the least.

The COVID-19 pandemic has caused havoc in our lives and turned our world upside down. We are faced with high unemployment, business closures, and a dramatic rise in public health and safety problems.

As a community, we need to find a new direction and initiatives to reshape and enrich our quality of life.

Overdependence on the visitor industry is no longer a viable option. COVID-19 hit this industry so hard it may never be the same, and neither will we.

A survey of Hawaii residents was recently conducted to solicit ideas on what Maui County's "New Normal" should look like. We received promising suggestions and comments.

We are now casting a wider net to harness ideas from the minds of our youth. Help us search for the right way: imi pono.

## STRENGTHENING A SENSE OF BELONGING

**This year's theme is strengthening a sense of Belonging.** In 2019, our theme was responsibility. It is taken from Na Hopena A'o or "HĀ" which is a statewide initiative adopted by the Hawaii Department of Education in 2015. Rooted in Hawaiian values, HĀ is a holistic learning process that reflects the uniqueness of Hawaii. It aspires to include everyone in our community to develop competencies that strengthen a sense of Belonging, responsibility, excellence, aloha, total-wellbeing and Hawaii ("BREATH") in ourselves, students and others. He pili wehena 'ole - (A relationship that cannot be undone)"

This year's participating organizations can focus their booths on engaging activities to educate on the Hawaiian value of belonging to 'aina (land), moana (ocean), lahui (community), 'ohana (family) and 'o wau (myself).

Desde temprana edad tendemos a distorsionar el concepto de "justicia": "Soy bueno. Merezco cosas buenas. No estoy recibiendo cosas buenas. Algo debe estar mal. ¿Quién va a arreglarlo?" También conocemos la expresión ancestral: "¿Quién dijo que la vida era justa?" Jesús conocía esta expresión cuando ofreció su parábola en la lectura del Evangelio de hoy. Los corresponsables cristianos reconocen, con humildad, que reciben cosas buenas del Señor en abundancia; incluso si estos regalos no son los que creen que necesitan cuando los necesitan. Considere con qué sirvientes se identifica más en la lectura del Evangelio, los que exigen "justicia", o ese sirviente final que, aparentemente, merece lo menos.
